BUILD A CAREER WITH PURPOSE.

Harris Health Correctional Health

Make a meaningful difference while building a rewarding career with Harris Health Correctional Health. We provide comprehensive care to patients throughout the Harris County Jail system, addressing a wide range of health needs while helping improve outcomes that extend into the community.

WHY CORRECTIONAL HEALTH?

**Meaningful work.
Unique opportunities.
One mission.**

Bring your skills to a unique healthcare setting that combines patient care with public service. Whether you provide direct patient care, coordinate services, support operations or work behind the scenes, your contribution matters.

Gain specialized experience while helping care for patients with a broad range of needs, including:

- Intake screening and triage
- Acute and chronic care
- Preventive and urgent care
- Medical infirmary care
- Behavioral health
- Specialty services
- Medication management and pharmacy
- Laboratory and diagnostic services
- Care coordination
- Hospital transfers when a higher level of care is needed

GROW YOUR CAREER.

Correctional Health offers experience you may not find in a traditional healthcare setting. We provide comprehensive onboarding, orientation and role-specific preparation for working in this unique environment.

From there, you can strengthen your skills, develop specialized knowledge, take on new challenges and prepare for the next step in your career.

CAREERS

Opportunities may include:

- Nursing
- Physicians
- Advanced practice providers
- Behavioral health
- Dental services
- Pharmacy

Previous correctional health experience is not required.

BETTER CARE TAKES A TEAM.

Clinical professionals, administrative teams, operations, support services, leaders and security partners work together to support safe, effective and compassionate care.

We value employees who bring:

- Compassion and respect
- Professionalism and integrity
- Adaptability and sound judgment
- Strong communication
- Teamwork and collaboration
- Accountability
- Cultural awareness
- Commitment to quality and service
